VEHICLE ENTRANCE FEE

The Day Use Vehicle Entrance Fee is a daily charge for motorized vehicles. The \$5 fee is charged when a vehicle enters a designated state park area for the day. The fee is the same regardless of how many people are in the vehicle. Visitors entering an Idaho state park without a motorized vehicle do not pay. EQUESTRIAN CAMPERS

Please help us maintain the scenic quality and natural resources of the campground by adhering to the following:

Do not tie stock directly to a tree. Use the Corral provided, or a hitch line.

Do not take stock animals through the main camping loop.

Use weed-free hay or pellets.

Please remove manure and excess hay from sites. A storage bin is provided for proper disposal. Carry a tool to scatter remaining hay or waste, and to smooth out the area of impact for the equestrian camper.

If possible, use pellets in lieu of hay or suspend hay in netting from hitch line.

Keep horses away from potable water spigots and electrical pedestals.
